The box below shows Malaga airport arrivals live information, as well as scheduled flights for the next hours. It is updated every minute, so you will be informed in case any flight you are waiting for is delayed. Live Malaga Airport Arrivals T3 Arrivals Hall Once you've landed at Malaga Airport it's normally a very short turn-around before you can get your luggage from the baggage reclaim and be on your way to your destination. When you are leaving the arrivals hall, you will be met by your transfer driver, or a representative of your car hire company (in case you have booked any of those services). You can also use the live arrivals information provided by AENA to get up-to-the-minute arrivals information. You can find out about flight details either by entering the flight number in the left-hand panel, or by selecting the correct airport & airline information in the drop-down menus on the right-hand panel. In addition, you can call AENA for arrivals information, although during high season you're likely to find it continuously engaged. The telephone number is: 0034 952 048 838. If you're searching for Malaga Departures, click here. Arrivals Hall Malaga Airport Arrivals - Credit: Caron Badkin / Shutterstock.com The arrivals area is in T3 (Terminal 3) downstairs. There are still a few domestic flights that land in the old Terminal (T2) which is a few minutes walk from T3. It's well signposted and can be easily reached by travelers, lifts and escalators. The Terminals are all in the same building. No shuttles are required. You will be directed into the T3 (Malaga Terminal 3) to clear security and collect your baggage. If you come from a country that is a member of the Schengen Agreement, you won't have to clear security. Follow the signs and to Baggage Reclaim. Baggage Reclaim Once you have gone through passport control, you need to take the escalators down to the baggage reclaim hall, where there are 11 baggage reclaim carousels in Terminal 2. In Terminal 3, there are 7 Carousels for European Union, 4 for Non-EU and 1 for special baggage. Note: If you have been on a Non-EU Flight or a connecting flight from outside the EU via Madrid or any other Internal Airport, your luggage will be on the Carousel for Non-EU Flights which is in a box area you will collect your luggage and then go through customs. You will be asked if you have anything you need to declare. If you are arriving on an internal flight, you will pass through the shops in the Departure Lounge and follow signs for Baggage Reclaim. Make sure you follow the signs, even if you only have hand luggage, as this is the way out for everyone. Many passengers travel with hand luggage only nowadays, so generally, your luggage comes through pretty quick. If you have young kids, take care and don't let them climb up onto the carousel. Also, do keep an eye on all your bags and belongings at this point. It's so easy to leave your trolley and bag to grab your suitcase coming around on the carousel—the last thing. Be sure you have the right case! Malaga airport airlines Should you need to contact any airline, we have a page with information (web, phone numbers etc.) about the airlines operating at Malaga Airport. Meeting Points & Shops As you collect your baggage, there is a small last-minute Duty-Free Shop which is open from 7am to 10 pm Monday to Friday, Saturdays 7am to 11pm, and Sundays 7 am to 12.30 am. There is also a Currency Exchange desk here too. Times are correct at writing. Before going through the doors into the Arrivals Hall, there are numerous cash machines and a desk where you can buy/rent sim cards and WIFI routers. If you are on a Golfing Holiday and wish to hire or collect some equipment, Clubs To Hire can be found in the Public Arrivals Area. If you are meeting someone at the airport, either meet them in the arrivals hall or if you have arranged to meet outside, there is a signed meeting point as you leave the Arrivals Hall just by Caffe Di Fiore. Transport Options On Offer Airport arrivals taxi rank - Credit: Caron Badkin / Shutterstock.com Car Hire at Malaga Arrivals If you have hired a car from one of the car hire companies within Malaga airport terminal, you need to head downstairs to the car hire desks as you collect your bags. Malaga Airport Car Hire Off Site If you chose an off-site Malaga Car Hire Company, you will be given instructions on where to meet them at the time of booking and will probably be collected by one of their Shuttle Buses. Where do you get the Shuttle Bus? As you leave Malaga Arrivals, turn left and walk for a minute or so, where you will see the collection points. You no longer go to the tunnel. Keep an eye out for the company vehicle! The same applies if using off-site Car Parking. Booked a Private Transfer? If you have arranged a private transfer to collect you, then continue to the Malaga Airport Arrivals Hall. This area is also where friends and family wait as well as Private Drivers holding signs displaying your name. Check with the company you have booked through as they may ask to meet you somewhere else. Catching a Taxi? If you're taking a taxi to your destination, leave the Arrivals Hall, and you will see Malaga Airport Taxis just outside to the right. For all estimated prices to various destinations, go to our Taxis page. Taxis do have meters now, so you can see the prices. We also have UBER now. Taking the Bus from Malaga Arrivals? As you leave the Arrivals Hall, you will see the Ticket Office and just behind here are the Buses. There are three stops, one local bus to take you into Malaga City, the direct airport bus to take you to Marbella, Estepona, Algeciras & La Linea, and the third one is for all other destinations. Click the Buses link for more information about where you can travel by bus directly from Malaga Airport. Service from the Airport is limited so do check from Malaga Bus Station. Taking the Train from Malaga Arrivals? The train station can be found just a couple of minutes walk away. As you leave the Arrivals Hall (T3), walk straight ahead. You will pass the ticket office through the pedestrianised forecourt, and Malaga Airport Train Station is right ahead. Malaga Airport Train is on the Malaga Cercanias (Local Malaga Line). This train will take you as far North as Alora or as far South to Fuengirola. If you wish to travel to other destinations, then go to Maria Zambrano Station. This is where the main bus station is if you wish to travel by bus to your destination. Follow us on Facebook with over 18k followers. Join our Facebook Group The Costa Del Sol Travel Forum.
